500 £2.69

7 UV Tester Keyring BP43.7/7

Moulded keyring with central disc that changes colour depending upon the level of UV radiation. Prices include up to 4 spot colours + the colours in the "watch face".

product size: 40mm diameter

250 £1.31
500 £1.16
1000 £1.07

All prices include one colour print in one position unless otherwise stated. All prices exclude origination, carriage and VAT.

Please note that whilst we endeavour to hold all prices supplied, due to extreme fluctuations in exchange rates and the uncertain economic climate, we reserve the right to change prices without prior notice.

General Information

Prices: Prices are effective from May 2010 and exclude V.A.T. Prices include one colour print in one position unless stated otherwise.

Quantity: Printed goods may be subject to a 5% over or under run and charged pro rata.

Originations: All block, dies and screens required for printing will incur additional costs.

Artwork: All artwork including reductions, enlargements and touching up will be chargeable.

Carriage: All prices are exclusive of carriage.

Colour Matching: Pantone colours are matched as close as possible, however, due to the different materials the products are manufactured from, a 100% match cannot be guaranteed.

Liability: Any liability of the sellers to the purchaser shall be limited to the price of the goods.

Company Logos: It is not the intention of the publishers to imply that products showing corporate logos have been supplied to or been endorsed by the owner of the logo or trademark. They are used merely to show the effect of personalisation on gifts.

Claims: Any claims for damages or loss in transit must be made in writing within 14 days of invoice date.

Photography: The products photographed in this catalogue are not necessarily to scale. Many have been increased in size to illustrate detail.
